# CENSUS SURVEY PROCESS

# Main challenges during training and survey

PROCESS MANAGEMENT

A SOCIETY CONVINCED THAT IT'S POSITIVE

ACHIEVEMENTS

# Main achievement during census survey

## Full support of Dominican Government

**Support through the appointment of high-level government officials as commissioners in each province of the country, to ensure the smooth development of the census operation. This team was coordinated and led by the president and vice president of the Dominican Republic.**

Good data,  
Good policies
