

Call to National Statistics/Census Offices for a Host Country for the **ANCSDAAP 32nd Population Census Conference**

The Association of National Census and Statistics Directors of America, Asia and the Pacific (ANCSDAAP) invites national statistics/census offices related to national censuses and statistics in America, Asia, and the Pacific to consider hosting the 32nd Population Census Conference in 2024.

The Association conducts conferences and other activities relevant to population censuses. ANCSDAAP organizes a population census conference every 1.5 to 2 years in collaboration with a host country's national statistics/census offices to foster communication and cooperation in the collection and analysis of comprehensive statistical information on population censuses. The Association's major activity is the series of Population Census Conferences, which have been hosted by national statistics/census offices and/or relevant organizations in America, Asia, and the Pacific region and take turns for each conference.

The most recent conferences are as follows:

20 th Conference	Mongolia (2002)	26 th Conference	Ulaanbaatar, Mongolia (2013)
21 st Conference	Kyoto, Japan (2003)	27 th Conference	Tokyo, Japan (2014)
22 nd Conference	Seattle, U. S. (2005)	28 th Conference	Minneapolis, U. S. (2016)
23 rd Conference	New Zealand (2007)	29 th Conference	Da Nang, Vietnam (2018)
24 th Conference	Hong Kong, China (2009)	30 th Conference	Virtual (2020)
25 th Conference	Seoul, Korea (2011)	31 st Conference	Tokyo, Japan (2022)- scheduled

The host organization for the 32nd Population Census Conference can be a national census and statistical office or other relevant national organization as well as a research institute interested in the activities of ANCSDAAP. Information regarding the Population Census Conference can be found at <http://www.ancsdaap.org/>

Organizations interested in hosting the 32nd Conference are welcome to contact the ANCSDAAP Secretariat at secretariat@ancsdaap.org with a proposal including a proposed schedule and location (e.g., June 2024, Seoul) for the conference by **October 28, 2022**.

The secretariat and board members of ANCSDAAP will review the proposed schedules and locations and decide which proposal to accept. ANCSDAAP plans to formally announce the host country's organization/institution and location for the next Population Census Conference during the 31st Population Census Conference to be held in November 2022 in Tokyo, Japan.
